

CERTIFICATE COURSE ON SOCIAL INNOVATION AND ENTREPRENEURSHIP

A 7 days short certificate course in Social Innovation and Entrepreneurship (SI&E) will be conducted from 16 th March 2019 to 24 th March 2019. This course is open for registration for students from all courses.

The certificate course will be conducted by leading academicians and practitioners, recognized social innovators, young entrepreneurs, policy makers and administrators from India and abroad.

Mission:

The course is designed to give an opportunity to pursue a cross-disciplinary study of social innovation and entrepreneurship which will enable students to enhance their skills and abilities to explore complex problems and develop innovative methods to address socio-economic problems.

It will provide new concepts, tools and framework to look beyond the silos of subject domains.

Students will gain the ability to apply knowledge across disciplines, to turn ideas into actions and make a tangible positive impact on society. The course also aims at developing social innovation and entrepreneurial modeling along with critical knowledge. It will draw on theory, contexts, and methods from across the disciplines.

Expected Outcomes:

We have designed this certificate course to make a transformative impact on the practice of social change. It will strip theories, tools and processes to their essence, emphasizing their core purposes and principles so that students can access new ways to solve the real-world challenges.
