5th September 2018

Dr. Vibha Singh Chauhan
Principal,
Kirori Mal College,

Dear Dr Vibha Singh Chauhan,

We are pleased to inform you that the Amar Jyoti Charitable Trust, New Delhi, India in collaboration with the Asian Centre for Inclusive Education, Dhaka, Bangladesh is organizing the 5th International Conference on Inclusive education from November 28-30, 2018 in New Delhi, India.

The central theme of the conference revolves around fostering excellence through inclusive education. The conference agenda has been designed to provide a forum for deliberation on an eclectic mix of contemporary issues that advocates and practitioners of inclusive education are confronted with in making inclusive education the norm rather than an exception. The conference will be an opportunity to revisit what has worked well and what needs to be done better. Indeed, we expect that the conference provides a forum to challenge current notions in order that a forward-looking agenda could emerge that serves as a blueprint to provide quality education to all children where quality and inclusion co-exists.

About 300 participants from India and abroad are expected to participate in this event. Participants include policymakers, academics, researchers, educators, parents, graduate students, civil society representatives and representatives of international organizations and donors. A single-page information -sheet is attached. For more detailed information please visit the conference web-site: www.icie2018.org.

It will be nice if you can encourage members of the faculty/students to participate in the Conference.

With regards,

Dr. Uma Tuli
